

CNC Metal Stamping Small Parts $\pm 0.01\text{mm}$ Tolerance

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Material: Stainless Steel, Carbon Steel, Aluminum, Copper, Brass, Etc.
- Application: Automotive, Electrical, Electronic, Industrial, Etc.
- Tolerance: $\pm 0.01\text{mm}$
- Color: Customized
- Surface Treatment: Polishing, Zinc Plating, Nickel Plating, Chrome Plating, Anodizing, Etc.
- OEM/ODM: Acceptable
- Shape: Customized
- MOQ: 1000pcs
- Highlight: **CNC Metal Stamping Small Parts, OEM Metal Stamping Small Parts**

Product Description

Product Description:

CNC Stamping Parts are manufactured by using high-volume stamping processes and metal forming processes. The parts are made from a variety of materials such as stainless steel, carbon steel, aluminum, copper, and brass, and can be customized to specific colors and sizes. The production process begins with the raw materials being cut into the desired shape, followed by the stamping and bending processes to create the final product. Our CNC Stamping Parts can be packed in cartons, wooden cases, pallets or other customized packaging. We also offer OEM/ODM services to meet the needs of our customers. Our metal stamping processes provide high-quality, reliable, and cost-effective production solutions for our customers.

Features:

Product Name: CNC Stamping Parts

Application: Automotive, Electrical, Electronic, Industrial, Etc.

Color: Customized

Surface Treatment: Polishing, Zinc Plating, Nickel Plating, Chrome Plating, Anodizing, Etc.

Metal Forming Processes: Computer Numeric Control Stamping

OEM/ODM: Acceptable

MOQ: 1000pcs

Technical Parameters:

Attribute	Value
Available	Sample
Processing Method	CNC Stamping
Application	Automotive, Electrical, Electronic, Industrial, Etc.
Tolerance	±0.01mm
Color	Customized
Packaging	Carton, Wooden Case, Pallet, Etc.
Size	Customized
Material	Stainless Steel, Carbon Steel, Aluminum, Copper, Brass, Etc.
Shape	Customized
MOQ	1000pcs
Keywords	Precision Sheet Metal Parts, Metal Stamping Processes, CNC Stamping Machines, Automotive Components, Electrical Components, Electronic Components, Industrial Components, High-Precision Tolerances, Custom Colors, Custom Packaging, Custom Sizes, Custom Shapes, Minimum Quantity Order.

Applications:

CNC Stamping Parts is widely used in many kinds of precision sheet metal fabrication, such as **sheet metal fabrication**, **metal stamping processes**, **precision sheet metal parts**, and more. The YWY CNC606, a high-quality CNC Stamping Parts, is produced with strict quality control and is made of superior quality metal materials. It can be processed with **CNC Stamping**, and the surface treatment can be chosen from **polishing**, **zinc plating**, **nickel plating**, **chrome plating**, **anodizing**, etc. OEM/ODM is available too. The minimum order quantity is 1000pcs, and the packing is available in carton, wooden case, pallet, etc.

Customization:

We provide **customized CNC Stamping Parts** services with **Metal Forming Processes, Sheet Metal Fabrication** and other related process. Our CNC Stamping Parts are of **high precision** and **accuracy**, which can meet your requirements.

Brand Name: **ywy**
Model Number: **cnc606**
Place of Origin: **guangdonghuizhou**
Size: **Customized**
Application: **Automotive, Electrical, Electronic, Industrial, Etc.**
Tolerance: **±0.01mm**
Material: **Stainless Steel, Carbon Steel, Aluminum, Copper, Brass, Etc.**
Sample: **Available**

Support and Services:

We provide technical support and services for CNC Stamping Parts, including:

- Providing technical advice and consultation
- Offering troubleshooting assistance
- Providing parts replacement and installation instructions
- Scheduling regular maintenance and servicing
- Offering product training
