

## CNC Aluminium CNC Stamping Parts Automotive Metal Forming Components

Our Product Introduction

for more products please visit us on [precision-cncparts.com](http://precision-cncparts.com)

### Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

### Product Specification

- Application: Automotive, Electrical, Electronic, Industrial, Etc.
- Sample: Available
- Color: Customized
- Size: Customized
- MOQ: 1000pcs
- Surface Treatment: Polishing, Zinc Plating, Nickel Plating, Chrome Plating, Anodizing, Etc.
- Processing Method: CNC Stamping
- Shape: Customized
- Highlight: **Aluminium CNC Stamping Parts, Automotive CNC Stamping Parts, CNC Aluminium Stamping Parts**

## Product Description

### Product Description:

CNC Stamping Parts are a type of sheet metal fabrication that offers a high-volume, cost-effective solution for producing custom metal parts. Our CNC Stamping Parts are manufactured using specialized machines and processes that provide precise, repeatable results on even the most complex parts. The process is ideal for producing parts with a variety of shapes, sizes, and features that require tight tolerances. Our CNC Stamping Parts are available with a wide range of surface finishes, from light brushing to bright polishing and electroplating. Our CNC Stamping Machines are capable of producing parts in high volume, with short lead times, and with a high level of precision. We offer custom CNC Stamping Parts in a variety of colors, sizes, and materials, with a minimum order quantity of 1000 pieces, and various packaging options, such as carton, wooden case, and pallet. We are committed to providing our customers with the highest quality CNC Stamping Parts, and we guarantee satisfaction with our products and services.

### Features:

Product Name: CNC Stamping Parts  
Packaging: Carton, Wooden Case, Pallet, Etc.  
Color: Customized  
OEM/ODM: Acceptable  
Sample: Available  
Shape: Customized  
High Volume Stamping  
Computer Numeric Control Stamping  
Stamped Metal Parts

### Technical Parameters:

Attribute	Parameter
Application	Automotive, Electrical, Electronic, Industrial, Etc.
MOQ	1000pcs
Color	Customized
Size	Customized
Shape	Customized
OEM/ODM	Acceptable
Sample	Available
Processing Method	Computer Numeric Control Stamping, Stamped Metal Parts, Stamped Metal Parts Manufacturer
Surface Treatment	Polishing, Zinc Plating, Nickel Plating, Chrome Plating, Anodizing, Etc.
Packaging	Carton, Wooden Case, Pallet, Etc.

### Applications:

YWY CNC606 CNC Stamping Parts are applied in a wide range of products and scenarios, especially in sheet metal fabrication, precision sheet metal parts, precision metal parts, customized metal parts, etc. With the help of CNC stamping machines, YWY CNC606 CNC Stamping Parts are made of stainless steel, carbon steel, aluminum, copper, brass and other materials, and the tolerance can reach up to  $\pm 0.01\text{mm}$ . Moreover, customized colors and OEM/ODM services are available. All in all, YWY CNC606 CNC Stamping Parts can be used in a variety of applications and scenarios.

### Customization:

Customized **CNC Stamping Parts** from **YWY** with model number **CNC606**.  
We provide **Sheet Metal Fabrication**, **Computer Numeric Control Stamping**, **Metal Stamping Services**, **OEM/ODM Service**, with origin of **Guangdong, Huizhou**.  
Our **CNC Stamping Parts** have  $\pm 0.01\text{mm}$  tolerance, and can be **customized** in color.  
**MOQ: 1000pcs.**

### Support and Services:

#### CNC Stamping Parts Technical Support and Service

We provide professional technical support and service for our CNC Stamping Parts. Our team of highly skilled engineers are available to assist with any technical questions or issues that may arise throughout the life of the product.

Our technical support and service include:

Troubleshooting

Repair and maintenance

Software and hardware upgrades

Product documentation

Customer service and support

Training and installation

We also provide a comprehensive warranty on all CNC Stamping Parts. Our team will work with customers to ensure all requests are addressed promptly and accurately.
