

Polishing CNC Stainless Steel Parts OEM ODM Customized

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Lead Time: 7-15 Days
- Inspection: 100% Inspection
- MOQ: 1 Piece
- OEM/ODM: Acceptable
- Surface Treatment: Polishing
- Tolerance: $\pm 0.01\text{mm}$
- Shipping: By Sea/Air/Express
- Material: Stainless Steel
- Highlight: **Polishing CNC Stainless Steel Parts,
Customized CNC Stainless Steel Parts**

Product Description

Product Description:

CNC Stainless Steel Parts are precision components manufactured with advanced CNC machining technology. We use high-quality stainless steel materials to ensure high accuracy and long-lasting performance. Our CNC machining process can achieve very tight tolerances of $\pm 0.01\text{mm}$, and the surface treatment can be polishing or other custom treatments. The drawing format we accept includes PDF, DWG, IGS, and STP. We can ship the parts by sea, air or express according to customers' requirements. Our CNC Stainless Steel Parts are widely used in various industries such as aerospace, automotive, medical, and other industries. We have extensive experience in the CNC machining of stainless steel parts, and we can provide customized stainless steel precision parts and CNC stainless steel fabrication services.

Features:

Product Name: CNC Stainless Steel Parts

MOQ: 1 Piece

Shipping: By Sea/Air/Express

Application: Industrial Equipment

Inspection: 100% Inspection

Lead Time: 7-15 Days

Special Features: Stainless Steel CNC Machined Part, Stainless Steel Precision Part, High Quality Stainless Steel Part

Technical Parameters:

Property	Value
Product Name	CNC Stainless Steel Component, Stainless Steel Precision Part, Stainless Steel Fabricated Part
Material	Stainless Steel
Package	Carton/Wooden Box
OEM/ODM	Acceptable
Size	Customized
Shipping	By Sea/Air/Express
Inspection	100% Inspection
Tolerance	$\pm 0.01\text{mm}$
Surface Treatment	Polishing
Drawing Format	PDF/DWG/IGS/STP
Lead Time	7-15 Days

Applications:

YWY CNC303 Stainless Steel Parts are fabricated and machined parts made of stainless steel, which is known for its high corrosion resistance, strength and durability. They are widely used in industrial equipment, including advanced machining and processing machines, as well as general machinery, due to their excellent properties. Our stainless steel CNC parts are precision machined to exact specifications using high-precision CNC machines, and they can be customized in different sizes, materials, and surface treatments. With superior quality and performance, our stainless steel parts are widely recognized as the best choice for industrial equipment. We offer a variety of surface treatments, such as polishing, for our stainless steel parts to meet the needs of different industries. We also provide drawing format options, including PDF, DWG, IGS, and STP, to make sure that the parts fit the exact specifications of our customers. We have a minimum order quantity of 1 piece, and our stainless steel parts are available at competitive prices.

Customization:

Customized CNC Stainless Steel Parts

Brand Name: ywy

Model Number: cnc303

Place of Origin: guangdonghuizhou

Inspection: 100% Inspection

Package: Carton/Wooden Box

Surface Treatment: Polishing

Processing Method: CNC Machining
OEM/ODM: Acceptable
Product Highlights: High Quality Stainless Steel Part, Stainless Steel CNC Component, High Quality Stainless Steel Part

Support and Services:

CNC Stainless Steel Parts offers technical support and service to ensure that customers receive the best quality products and services. Our technical support team is available 24/7 to answer any questions customers may have about our products. We also provide troubleshooting and repair services to ensure that our products are functioning properly. Additionally, we offer installation assistance and provide training to customers who are unfamiliar with our products. We strive to provide the best customer service experience possible.
