

## CNC Turning Manufacturing Parts with Express Shipping and Polishing

### Our Product Introduction

For more products please visit us on [precision-cncparts.com](http://precision-cncparts.com)

#### Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: cnc202
- Minimum Order Quantity: 1
- Price: 0.68-6.68
- Packaging Details: Bubble paper box packaging
- Delivery Time: 10-15
- Supply Ability: long-term

#### Product Specification

- Shipping: Express, Air, Sea
- Advantage: High Precision, Fast Delivery, Etc.
- Application: Automotive, Aerospace, Etc.
- Package: Carton, Wooden Case, Etc.
- Drawing Format: PDF, IGS, STP, DWG, Etc.
- Lead Time: 7-15 Days
- Material: Stainless Steel, Aluminum, Brass, Etc.
- Product Size: Customized
- Highlight: **OEM CNC Turning Manufacturing Parts,  
Polishing CNC Turning Manufacturing Parts**

## Product Description:

### CNC Turning Milling Parts

CNC Turning Milling Parts, also known as CNC Milling Process Parts, are precision components used in various industries such as automotive, aerospace, and many more. These parts are produced through the advanced manufacturing processes of CNC turning and milling, ensuring high accuracy and quality.

### Application

The CNC Turning Milling Parts are widely used in industries such as automotive, aerospace, electronics, medical, and many others. They can be found in various applications, including engine components, gears, shafts, valves, and more.

### Surface Treatment

To meet different customer requirements, our CNC Turning Milling Parts are available with a variety of surface treatments, such as polishing, anodizing, zinc plating, and more. These treatments not only improve the appearance of the parts but also enhance their corrosion resistance and durability.

### Tolerance

Our CNC Turning Milling Parts are produced with high precision and strict quality control, ensuring a tolerance of  $\pm 0.01\text{mm}$ . This high level of accuracy makes our parts suitable for use in precision applications that require tight tolerances.

### MOQ

We understand that every customer has different needs, which is why we have a low MOQ of 1 piece for our CNC Turning Milling Parts. This allows our customers to order the exact quantity they need without any extra costs.

### OEM/ODM

We offer OEM and ODM services for our CNC Turning Milling Parts, allowing our customers to customize the parts according to their specific requirements. Our experienced team will work closely with the customers to ensure that the final product meets their expectations.

Overall, our CNC Turning Milling Parts are high-quality, precision components that are suitable for a wide range of applications. With our advanced manufacturing processes and various customization options, we are committed to providing our customers with the best solutions for their needs.

## Features:

Product Name: CNC Turning Milling Parts

Package: Carton, Wooden Case, Etc.

Application: Automotive, Aerospace, Etc.

Drawing Format: PDF, IGS, STP, DWG, Etc.

Processing Method: CNC Turning Milling

Shipping: Express, Air, Sea

### Key Features:

CNC Turning Machining Parts

CNC Turning Manufacturing Parts

CNC Milling Machining Parts

## Technical Parameters:

Product Name	CNC Turning Milling Parts
Surface Treatment	Polishing, Anodizing, Zinc Plating, Etc.
OEM/ODM	Accept
Product Size	Customized
Material	Stainless Steel, Aluminum, Brass, Etc.
Tolerance	$\pm 0.01\text{mm}$
Shipping	Express, Air, Sea
Processing Method	CNC Turning Milling
MOQ	1 Piece
Package	Carton, Wooden Case, Etc.
Advantage	High Precision, Fast Delivery, Etc.
Keywords	CNC Milling Fabricated Parts, CNC Turning Manufactured Parts, CNC Milling Fabricated Parts

## Applications:

CNC Turning Milling Parts - ywy

Welcome to ywy - your premier source for high-quality CNC Turning Milling Parts. Our brand name is known for its precision, reliability and superior quality. Our model number is cnc202 and our products are manufactured in guangdonghuizhou, a well-known industrial hub in China.

At ywy, we understand the importance of precision and accuracy in CNC Turning Milling Parts. That's why we have a minimum order quantity of 1 and offer a price range of 0.68-6.68, making our products affordable for all types of customers. Our packaging details include bubble paper box packaging, ensuring that your parts are protected during transportation.

Our delivery time is 10-15 days, and we have a long-term supply ability to meet the demands of our customers. We take pride in our products and ensure a tolerance of  $\pm 0.01\text{mm}$  in all our CNC Turning Milling Parts. Our processing method is state-of-the-art CNC Turning Milling, which guarantees high precision and efficiency in manufacturing.

We offer a variety of packaging options, including carton, wooden case, and others, to suit the needs of our customers. In addition to this, we also provide surface treatment options such as polishing, anodizing, and zinc plating to give your parts a superior finish.

Our CNC Turning Milling Parts are widely used in various industries, including automotive and aerospace. The precision and reliability of our parts make them suitable for critical applications in these industries. Our CNC Milling Fabricated Parts, CNC Milling Manufactured Parts, and CNC Milling Machining Parts have been highly praised by our customers for their quality and performance.

Choose ywy for all your CNC Turning Milling Parts needs, and experience the difference in quality and service. Contact us now for a quote and let us be your trusted partner in precision manufacturing.

Brand Name: ywy

Model Number: cnc202

Place of Origin: guangdonghuizhou

Minimum Order Quantity: 1

Price: 0.68-6.68

Packaging Details: Bubble paper box packaging

Delivery Time: 10-15

Supply Ability: long-term

Tolerance:  $\pm 0.01\text{mm}$

Processing Method: CNC Turning Milling

Package: Carton, Wooden Case, Etc.

Surface Treatment: Polishing, Anodizing, Zinc Plating, Etc.

Application: Automotive, Aerospace, Etc.

## Customization:

CNC Turning Milling Parts Customization Service

Brand Name: ywy

Model Number: cnc202

Place of Origin: guangdonghuizhou

Minimum Order Quantity: 1

Price: 0.68-6.68

Packaging Details: Bubble paper box packaging

Delivery Time: 10-15

Supply Ability: long-term

Application: Automotive, Aerospace, Etc.

Product Size: Customized

Tolerance:  $\pm 0.01\text{mm}$

Processing Method: CNC Turning Milling

OEM/ODM: Accept

Key Words: CNC Turning Process Parts, CNC Milling Manufacturing Parts, CNC Turning Machining Parts

## Packing and Shipping:

Packaging and Shipping

CNC Turning Milling Parts will be packaged according to customer's requirements. Generally, they will be packed in sturdy and durable cartons or wooden cases to ensure safe transportation. The parts will also be protected with appropriate padding materials to prevent any damage during shipment.

For shipping, we will choose the most suitable and efficient method based on the order quantity and destination. We can ship the parts by sea, air, or express delivery. Customers can also choose their own preferred shipping method.

We understand the importance of on-time delivery, so we will work closely with our shipping partners to ensure that the parts reach our customers in a timely manner. We will provide tracking information for customers to track their shipment and keep them updated on the delivery status.

At CNC Turning Milling Parts, we strive to provide the best packaging and shipping services to ensure that our customers receive their orders in perfect condition and on time.

## FAQ:

**Q: What is the brand name of this product?**

A: The brand name of this product is ywy.

**Q: What is the model number of this product?**

A: The model number of this product is cnc202.

**Q: Where is this product manufactured?**

A: This product is manufactured in Guangdong, Huizhou.

**Q: What is the minimum order quantity for this product?**

A: The minimum order quantity for this product is 1.

**Q: What is the price range for this product?**

A: The price range for this product is 0.68-6.68.

**Q: How is this product packaged?**

A: This product is packaged in bubble paper box packaging.

**Q: How long is the delivery time for this product?**

A: The delivery time for this product is 10-15 days.

**Q: Is this product always in stock?**

A: Yes, this product is available for long-term supply.
