

Aluminum CNC Machined Parts OEM/ODM Service with 100% Inspection Before Shipment

Our Product Introduction

For more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- OEM/ODM: Acceptable
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Delivery Method: DHL, FedEx, UPS, Etc.
- Material: Aluminum, Steel, Brass, Etc.
- Quality Control: 100% Inspection Before Shipment
- Size: Customized
- Application: Automotive, Aerospace, Medical, Etc.
- Highlight: **OEM Aluminum CNC Machined Parts, 100% Inspection Aluminum CNC Machined Parts, ODM CNC Machined Parts**

Product Description

Product Description:

Our company accepts OEM/ODM orders, and our team of experts can work on complex designs and produce Numerically-controlled machining parts that are accurate and consistent. We have advanced CNC milling and turning machines that are capable of producing high-quality parts with a tolerance of $\pm 0.01\text{mm}$.

We understand that packaging plays a vital role in ensuring that the products are delivered in excellent condition. That's why we have standard export carton packaging that meets international standards. We also offer customized packaging options to ensure that the products reach our customers safely.

Our CNC Machined Parts are widely used in various industries such as aerospace, automotive, medical, and more. We have a reputation for providing high-quality products that meet the requirements of our customers. We are committed to providing a hassle-free experience to our customers by delivering products on time and providing excellent customer service.

Features:

Product Name: CNC Machined Parts

Size: Customized

Application: Automotive, Aerospace, Medical, Etc.

Delivery Method: DHL, FedEx, UPS, Etc.

Drawing Format: PDF, DWG, IGS, STEP, Etc.

OEM/ODM: Acceptable

Precision machined parts

Computer-aided manufacturing parts

Computerized Numerical Cutting parts

Technical Parameters:

Product Name:	Computerized Numerical Cutting (CNC) Parts
Precision:	$\pm 0.01\text{mm}$
Material:	Aluminum, Steel, Brass, Etc.
Surface Treatment:	Anodizing, Plating, Painting, Etc.
Processing Method:	CNC Machining, Turning, Milling, Etc.
Application:	Automotive, Aerospace, Medical, Etc.
MOQ:	1 Piece
Packaging:	Standard Export Carton Or Customized
Lead Time:	7-15 Days
Drawing Format:	PDF, DWG, IGS, STEP, Etc.
Delivery Method:	DHL, FedEx, UPS, Etc.

Applications:

These precision machined parts are manufactured in Guangdong, China, and come with certification to ensure their quality and reliability. The minimum order quantity is 50 pieces, with a price range of \$2.35 to \$12.68 per piece, making them an affordable option for those in need of CNC machined parts.

Yuanwenyu understands the importance of packaging and ensures that each order is carefully packaged with EPE foam, anti-rust paper, stretch film, a plastic bag, and cartons to prevent any damage during transportation. Delivery time is quick, with options such as DHL, FedEx, and UPS available.

These CNC machined parts are processed using CNC machining, turning, milling, and other methods to ensure their precision. They are made from high-quality materials such as aluminum, steel, brass, and more, and can be treated with various surface treatments, including anodizing, plating, painting, and more.

Yuanwenyu also offers OEM/ODM services, making it possible to create custom CNC machined parts that fit specific needs. With a supply ability of 1000000 pieces per month, Yuanwenyu is a reliable source for CNC machined parts for a variety of applications. These CNC machined parts can be used in a wide range of industries and applications, including but not limited to:

Aerospace

Automotive

Medical

Electronics

Telecommunications

Machinery

Whether you need CNC machined parts for a specific project or for regular use in your industry, Yuanwenyu has the experience and expertise to deliver high-quality precision machined parts that meet your needs.

Customization:

Our yuanwenyu brand offers custom product customization services for our Computerized Numerical Cutting parts, also known as Computer-aided manufacturing parts, and Precision machined parts. Our products are made in Guangdong, China and come in model numbers 1X893 and OEM. They are certified and have a minimum order quantity of 50 pieces. The price range for our products is from \$2.35 to \$12.68 per piece.

The packaging details for our products include EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag + Carton. The delivery time is 1 and payment terms are 1. We have a supply ability of 1000000 Piece/Pieces per Month, with a lead time of 7-15 days. Surface treatments available include Anodizing, Plating, Painting, Etc. We accept OEM/ODM services and our products have a wide range of application including Automotive, Aerospace, Medical, Etc.

Our standard packaging includes Standard Export Carton Or Customized packaging to meet the needs of our customers.

Support and Services:

Our CNC Machined Parts product comes with comprehensive technical support and services to ensure smooth and efficient operation. Our team of experts is available to provide assistance with any technical questions or issues that may arise, including installation, programming, and troubleshooting. We also offer training services to help your team get up to speed with operating the equipment. In addition, we provide maintenance and repair services to keep your CNC machined parts in top condition. Our services include regular inspections, cleaning, and replacement of worn or damaged parts. We also offer upgrade services to help you keep up with the latest technology and improve the performance of your equipment. Our goal is to provide our customers with the highest level of support and service, so you can focus on your business operations with confidence.

Packing and Shipping:

Product Packaging:

All CNC Machined Parts will be packed in sturdy boxes

Each part will be individually wrapped in protective material

Box will be sealed securely to prevent damage during shipping

Shipping:

We offer worldwide shipping

Shipping costs will be calculated based on destination and weight of package

Tracking information will be provided once the package has been shipped

Delivery times will vary based on destination

FAQ:

Q1: What is the brand name of the CNC Machined Parts?

A1: The brand name of these parts is yuanwenyu.

Q2: What is the minimum order quantity for the CNC Machined Parts?

A2: The minimum order quantity for these parts is 50 pieces.

Q3: What is the price range of the CNC Machined Parts?

A3: The price ranges from \$2.35 to \$12.68 per piece.

Q4: What are the packaging details for the CNC Machined Parts?

A4: The parts are packaged with EPE foam, anti-rust paper, stretch film, and plastic bag. They are then placed in a carton.

Q5: What is the delivery time for the CNC Machined Parts?

A5: The delivery time is dependent on the quantity ordered and the destination. However, we typically deliver within 1 week.
