

## Precision CNC Machined Parts for Industrial Applications 100% Inspection Before Shipment

### Our Product Introduction

For more products please visit us on [precision-cncparts.com](http://precision-cncparts.com)

#### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

#### Product Specification

- Packaging: Standard Export Carton Or Customized
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Lead Time: 7-15 Days
- Material: Aluminum, Steel, Brass, Etc.
- MOQ: 1 Piece
- Quality Control: 100% Inspection Before Shipment
- Delivery Method: DHL, FedEx, UPS, Etc.
- Application: Automotive, Aerospace, Medical, Etc.
- Highlight: **Precision CNC Machined Parts,  
Industrial Applications CNC Machined Parts,  
100% Inspection CNC Machined Parts**

## Product Description

### Product Description:

Our CNC-machined parts are made with the highest quality materials and undergo rigorous quality control measures, including 100% inspection before shipment. This ensures that our customers receive only the best products that meet their specific requirements and needs.

In addition to our standard product offerings, we also accept OEM/ODM projects. Our team of experienced engineers and technicians can work closely with customers to create custom CNC-machined parts that meet their unique specifications and needs.

We understand that time is of the essence in any industry, which is why we offer a lead time of 7-15 days for our CNC-machined parts. This allows our customers to receive their products in a timely manner without sacrificing quality.

Whether you need CNC-machined parts for your automotive, aerospace, medical, or other industry, our team is dedicated to providing you with the highest quality products and exceptional customer service. Contact us today to discuss your project and learn how we can help meet your CNC machining needs.

### Features:

Product Name: CNC Machined Parts

Quality Control: 100% Inspection Before Shipment

Delivery Method: DHL, FedEx, UPS, Etc.

Surface Treatment: Anodizing, Plating, Painting, Etc.

Size: Customized

Application: Automotive, Aerospace, Medical, Etc.

Computer-aided machining parts

Computerized machining parts

### Technical Parameters:

Precision machined parts	CNC-machined components
MOQ	1 Piece
Quality Control	100% Inspection Before Shipment
Application	Automotive, Aerospace, Medical, Etc.
Material	Aluminum, Steel, Brass, Etc.
Delivery Method	DHL, FedEx, UPS, Etc.
Surface Treatment	Anodizing, Plating, Painting, Etc.
Size	Customized
Packaging	Standard Export Carton Or Customized
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Processing Method	CNC Machining, Turning, Milling, Etc.
Numerically-controlled machining parts	

### Applications:

Our CNC-machined components are suitable for use in a range of industries, including aerospace, automotive, medical, and more. They are the perfect choice for any application where precision, accuracy, and reliability are essential. Our computer-aided manufacturing parts are made using the latest technology and cutting-edge techniques, ensuring that they are of the highest quality and meet the exact specifications of our clients.

Our CNC-manufactured components are available in a range of sizes and materials, including aluminum, steel, brass, and more. We can also produce custom components to meet the specific needs of our clients. All of our components undergo rigorous quality control checks to ensure that they are of the highest quality before they are shipped to our clients.

Our CNC-machined components are available with a minimum order quantity of just 50 pieces, and our prices start at just \$2.35 per piece. We offer a range of packaging options, including EPE foam, anti-rust paper, stretch film, and plastic bags, as well as a range of delivery methods, including DHL, FedEx, and UPS.

If you're looking for high-quality CNC-manufactured components, look no further than Yuanwenyu. We offer fast delivery times, competitive pricing, and exceptional customer service. Contact us today to learn more about our products and services!

### Customization:

Our company, yuanwenyu, specializes in producing high-quality numerically-controlled machining parts. Our CNC-machined components are made from a variety of materials, including aluminum, steel, brass, and more. Our production process utilizes advanced techniques such as turning and milling to ensure precision and accuracy in every piece.

We offer product customization services to meet the unique needs of our clients. Our parts come in a range of sizes, all of which can be customized to meet the exact specifications of our customers. Our minimum order quantity is 50 pieces, and we can supply up to 1000000 Piece/Pieces per month. Our lead time is 7-15 days, and we offer flexible payment terms to make the ordering process as convenient as possible. Our CNC-machined parts come with a tolerance of  $\pm 0.01$ mm, ensuring that they meet the highest standards of quality. Our prices range from \$2.35 - \$12.68/pieces, and we offer multiple packaging options, including EPE foam, anti-rust paper, stretch film, and plastic bag + carton. Our products are certified and have been tested to meet rigorous standards. Our company is based in Guangdong, China, and we are proud to offer high-quality Computer-Numerically-Controlled parts to customers around the world.

## Support and Services:

Our CNC Machined Parts product comes with comprehensive technical support and services to ensure that your machining needs are met efficiently and effectively. Our team of experts is available to provide you with technical assistance and guidance throughout the entire process, from design to production. We also offer customized solutions to meet your unique requirements and specifications.

Our services include:

CNC programming and optimization

Prototype development

Machining and finishing

Quality control and inspection

Shipping and logistics

With our commitment to quality and customer satisfaction, you can trust us to deliver the highest quality machined parts on time and within budget. Contact us today to learn more about our technical support and services for CNC Machined Parts.

## Packing and Shipping:

Product Packaging:

Our CNC machined parts are carefully packaged to ensure safe delivery to your doorstep. Each part is placed in a protective covering and then placed in a sturdy cardboard box. The box is then sealed with strong tape to prevent any damage during shipping. We take great care in packaging our products to ensure they arrive in perfect condition.

Shipping:

We offer worldwide shipping for our CNC machined parts. All orders will be processed within 1-3 business days. Once shipped, you will receive a tracking number to monitor the shipment. Depending on your location, shipping times may vary. However, we strive to get your order to you as quickly as possible.

## FAQ:

**Q1: What is the brand name of the CNC Machined Parts?**

A1: The brand name of our CNC Machined Parts is yuanwenyu.

**Q2: What is the minimum order quantity for the CNC Machined Parts?**

A2: The minimum order quantity for the CNC Machined Parts is 50 pieces.

**Q3: What is the price range for the CNC Machined Parts?**

A3: The price range for the CNC Machined Parts is from \$2.35 to \$12.68 per piece.

**Q4: What are the packaging details for the CNC Machined Parts?**

A4: The packaging details for the CNC Machined Parts include EPE foam, Anti-Rust Paper, Stretch Film, Plastic bag, and Carton.

**Q5: What is the supply ability for the CNC Machined Parts?**

A5: The supply ability for the CNC Machined Parts is 1000000 Piece/Pieces per month.
